WHY START INVESTING IN PROPERTY?

It has been proven especially in recent times that you cannot rely only on one source of income, but rather that you need multiple income streams to ensure the success of wealth creation and financial stability. Property investment has proven to be the most stable investment tool allowing you to safely gear and achieve returns of up to 20 % - 30 % per annum. With 95 % of the population investing and accumulating funds in instruments performing worse than personal inflation, it is the remaining 5% wise investors of the population who will be able to retire comfortably.

WHAT ARE THE BENEFITS OF SUBSCRIBING?

You will achieve the following outcomes:

- ✓ What it means to be financially free
- ✓ How to start and grow your own property investment portfolio
- ✓ Choosing the right investment properties
- ✓ Finding the right investment strategy that suits you
- ✓ How to use structures/entities ie own liability vs Trusts, Companies, etc.
- ✓ Access to the Mentorship Program for life
- ✓ Access to expert property investment mentors
- ✓ Access to an online Growth Portal valuable property investment resources

“I didn’t realise I was sitting on a gold mine (my property) I can utilise towards accessing bigger property investment opportunities. The mentors showed me how to leverage my asset to gain maximum return”.

- Ms Tanya Strydom, Property Mentorship Subscriber
